10:45:03 03/19/23 - Williams, M

RP's kids found a knife and sheath in the trees they were playing in.

11:24:02 03/19/23 - Whiting, I

Spoke with RP and gathered the knife from her. She told me her niece was playing near a group of trees at the top of Ash Street near Spade Street, where she found the knife on the ground. The knife is a black K-bar with the handle wrapped and in a black sheath. When I looked at the blade there was a little bit of rust and dust on it like it had been in the dirt for sometime. I will book this in found property.
