Re: Notice of SFY2023 Partnerships for Success Grant Extension Award

Dear Eric Warner,

Your application for a fifth quarter extension to deliver substance abuse prevention services in State Fiscal Year 2023 has been reviewed and funding for prevention services approved. The Office of Drug Policy (ODP) is exercising its option to extend your grant for an additional quarter by way of written notice. This document, considered your *Notice of Extension*, is effective as of July 1, 2023. All other terms and conditions of your original Grant Agreement dated July 1, 2022 shall remain in full force and effect.

Please carefully review the attached documents detailing the award. Any changes to the approved action plan must be approved in advance by ODP. Failure to comply with any terms of this continuation agreement could result in corrective action, a reduction in funding, or termination of this agreement.

ODP requires that you return the attached *Acknowledgement of Receipt* within 10 days from the date of this letter via email. If we do not receive a signed *Acknowledgement of Receipt* from you within that timeframe, this offer for continuation may be withdrawn.

Please note that this extension agreement will expire on September 25, 2023, with a final invoice date of September 25, 2023.

If at any time you have any questions or concerns about this award, please do not hesitate to contact me at: 208.854.3049. I look forward to working with you.

Warm regards,

Sharlene Johnson
