| 0:08 | Dispatch       | 911, location of your emergency?                                                      |
| 0:10 | Bethany Funke  | Hi, something is happening. Something's happened in our house and we don't know what. |
| 0:15 | Dispatch       | What is the address of the emergency?                                                 |
| 0:19 | Bethany Funke  | 1122                                                                                  |
| 0:27 | Dispatch       | What is the rest of the address?                                                      |
| 0:29 | Bethany Funke  | Oh, King Road.                                                                        |
| 0:32 | Dispatch       | Okay. And is that a house or an apartment?                                            |
| 0:35 | Bethany Funke  | It's a house.                                                                         |
| 0:37 | Dispatch       | Can you repeat the address to make sure that I have it right?                         |
| 0:40 | Josie Lauteren | I'll talk to you, we're, um, we live at the Whites so we are next to them.            |
| 0:46 | Dispatch       | I need someone to repeat the address for verification.                                |
| 0:48 | Josie Lauteren | So the address, 1122 King Road.                                                       |
| 0:52 | Dispatch       | And what's the phone number that you're calling from?                                 |
| 0:55 | Josie Lauteren | What's your phone number?                                                             |
| 0:56 | Bethany Funke  | 775                                                                                   |

|      |                 |                                                                                                           |
|------|-----------------|-----------------------------------------------------------------------------------------------------------|
| 0:58 | Josie Lauteren  | 775                                                                                                       |
| 0:59 | Bethany Funke   | 737                                                                                                       |
| 1:00 | Josie Lauteren  | 737, what's the rest?                                                                                     |
| 1:02 | Bethany Funke   | 3185                                                                                                      |
| 1:03 | Josie Lauteren  | 3185                                                                                                      |
| 1:05 | Dispatch        | And tell me exactly what's going on.                                                                      |
| 1:08 | Josie Lauteren  | Um, one of our - one of the roommates is passed out and she was drunk last night and she's not waking up. |
| 1:15 | Dispatch        | Okay.                                                                                                     |
| 1:16 | Josie Lauteren  | Oh, and they saw some man in their house last night.                                                      |
| 1:21 | Dylan Mortensen | Hi, this is Dylan.                                                                                        |
| 1:23 | Dispatch        | And are you with the patient? Okay, I need someone to keep the phone, stop passing it around.             |
| 1:28 | Dylan Mortensen | Can I just tell you what happened, pretty much?                                                           |
| 1:30 | Dispatch        | What is going on currently? Is someone passed out right now?                                              |
| 1:34 | Dylan Mortensen | I don't really know, but pretty much at 4:00 am-                                                          |
| 1:36 | Dispatch        | Okay. I need to know what's going on right now, if someone is passed out. Can you find that out?          |
| 1:41 | Dylan Mortensen | Yeah, I'll come - come on, Bethany. We got to go check.                                                   |
| 1:45 | Dylan Mortensen | But we have to.                                                                                           |
| 1:54 | Dylan Mortensen | Is she passed out?                                                                                        |
| 1:59 | Hunter Johnson  | Xana? Ethan?                                                                                              |
| 2:06 | Dylan Mortensen | She's passed out. What's wrong?                                                                           |
| 2:09 | Dylan Mortensen | She's not waking up.                                                                                      |

|      |                 |                                                                                                     |
|------|-----------------|-----------------------------------------------------------------------------------------------------|
| 2:11 | Hunter Johnson  | Xana!                                                                                               |
| 2:14 | Dispatch        | Okay. One moment. I'm getting help started that way.                                                |
| 2:18 | Dylan Mortensen | Okay, thank you.                                                                                    |
| 2:22 | Dylan Mortensen | What's wrong                                                                                        |
| 2:50 | Hunter Johnson  | Get out! Get out! Get out!                                                                          |
| 2:51 | Dylan Mortensen | Okay.                                                                                               |
| 2:57 | Dispatch        | Okay, and how old is she?                                                                           |
| 3:00 | Dylan Mortensen | Uh, she's 20.                                                                                       |
| 3:03 | Dispatch        | 20, you said?                                                                                       |
| 3:05 | Dylan Mortensen | Yes, 20.                                                                                            |
| 3:05 | Dispatch        | Okay.                                                                                               |
| 3:06 | Dylan Mortensen | Here, talk to them.                                                                                 |
| 3:08 | Hunter Johnson  | Hello?                                                                                              |
| 3:11 | Hunter Johnson  | Hello?                                                                                              |
| 3:11 | Dispatch        | Okay, I need someone to stop passing the phone around because I've talked to four different people. |
| 3:16 | Hunter Johnson  | Okay. Sorry. They just gave me the phone.                                                           |
| 3:18 | Dispatch        | Is she breathing?                                                                                   |
| 3:21 | Hunter Johnson  | Hello?                                                                                              |
| 3:22 | Dispatch        | Is she breathing?                                                                                   |
| 3:23 | Hunter Johnson  | No.                                                                                                 |
| 3:24 | Dispatch        | Okay.                                                                                               |
| 3:33 | Hunter Johnson  | That's - Dylan, I need you to talk to them. I can't talk to them. I need you to talk to them.       |
| 3:36 | Dylan Mortensen | Okay.                                                                                               |
| 3:37 | Dylan Mortensen | Hello?                                                                                              |

|      |                  |                                                                                                      |
|------|------------------|------------------------------------------------------------------------------------------------------|
| 3:39 | Dispatch         | Okay. I have already sent the ambulance and law enforcement. Stay on the line.                       |
| 3:44 | Dylan Mortensen  | Okay.                                                                                                |
| 3:44 | Dispatch         | If there's a defibrillator available, send someone to get it now and tell me when you have it.       |
| 3:49 | Dylan Mortensen  | Say that again.                                                                                      |
| 3:51 | Dylan Mortensen  | There's a police here right now.                                                                     |
| 3:53 | Dispatch         | Okay. If there's a defibrillator available, send someone to get it now and tell me when you have it. |
| 3:59 | Dylan Mortensen  | We don't have one.                                                                                   |
| 4:02 | Dylan Mortensen  | Do you have a defibrillator?                                                                         |
| 4:04 | Ofc. Mitch Nunes | Yep.                                                                                                 |
| 4:04 | Dylan Mortensen  | Yes, we have one.                                                                                    |
| 4:06 | Dispatch         | Are you talking to the officer?                                                                      |
| 4:08 | Dylan Mortensen  | Yes, he's right here.                                                                                |
| 4:08 | Dispatch         | Okay. I'm going to let you go since he's there with you and can help you.                            |
| 4:12 | Dylan Mortensen  | Okay. Thank you. Bye.                                                                                |
| 4:13 | Dispatch         | Okay.                                                                                                |
