On 11/13/22 at around 1908 hours, Robert Morgan called to report he captured a stray german shepherd dog at 530 N Van Buren St. Based on the location and description of the dog, I believed the dog belonged to Scott Conant. I transported the dog to Conant's house where he confirmed the dog was his. I issued Conant citation #63263 for M657-10-5-5 - Dog At Large.

On 9/22/22, I had returned Conant's dog to his house after it was found at large in the neighborhood. I verbally warned Conant for the Dog At Large code and he said he understood.
